COSTA FASCINOSA AND COSTA CRUISES

A NEW CHAPTER IN A GREAT HISTORY.

Our history dates back over sixty years. We have taken millions of passengers on voyages to discover the most beautiful places in the world. And yet it has never become a matter of course. Whenever a new flagship joins Costa Cruise's fleet, with her promise to make dreams and wishes come true – your dreams and wishes – our hearts are filled with pride and joy. We are the first to marvel as the splendour of Costa Fascinosa. She is the maximum expression of beauty on the seas, inspired by great operas and films, waiting to enchant you in a spellbinding world of charm and glamour, making you part of a never-ending show. On board Costa Fascinosa you will live sentiment and passion, magic and emotion. These are the feelings which have always inspired Costa Cruise's ships and their cruises which are the stuff of passengers' dreams.

COSTA FASCINOSA

The Costa Fascinosa is the largest cruise ship flying the Italian flag. This is also a reason for us to be proud: proud to give the world an example of Made in Italy. It is a great privilege which gives even greater responsibilities. As always in our history, every new ship is another step towards excellence, an opportunity to renew our commitment to keep getting better, seeking out and guaranteeing top quality technology, the highest standards of safety and respect for the environment alongside top class service which have made us the cruise market leader in Europe.

Working hard to meet this challenge has brought us the most important vote of confidence we could ever wish for: 98% of our Guests are satisfied or very satisfied with their experience on board our ships. This is the greatest challenge we wish to maintain. And it starts with the Costa Fascinosa and her never-ending show.

COSTA FASCINOSA

THE LIGHTS GO UP, THE SHOW STARTS.

Write the scenography for your holiday by yourself. You will be the director and will create a masterpiece. On Costa Fascinosa you will be actors and spectators in a never-ending show. You will be Rita Hayworth and Marcello Mastroianni. Tosca and Rigoletto. Set no limits to the thrill of becoming a legend and a beauty. Costa Fascinosa is waiting to enchant you with the magic of her voyages. Come on board.

OVERTURE

The curtain rises on an unforgettable scene.

Diamonds may be forever, and you will long remember Amarcord Atrium where you will be received in a style worthy of a star. When you board the ship the Atrium, which soars inside the Costa Fascinosa from the third to the eleventh deck, gives you a breathtaking welcome. The diamonds take on various forms and promise spellbinding charm. You are greeted by sparkling light set against precious marble, metal and wood which create unique geometries. Red, silver, gold, an infinite play of light. From the panoramic lifts the effect is even more astounding: a show of opulence, elegance and modernity of which you will never tire. The first act in the never-ending show you will live on board.

COSTA FASCINOSA

EMOTIONS UNDER AN OPEN SKY

A fashion-setting Lido.

Via col Vento, Blue Moon, Incantesimo. The names of the Lidos on the Costa Fascinosa evoke emotion and passion. They are your open space on the sea, where you can breathe tang of the sea air and whet your appetite for dinner while the sun sets on an eventful, fun-filled day which you can already feel is going to be followed by an equally unforgettable evening. Later, listen to the voice of the moon: on Turandot deck, at Blue Moon Lido, the slogan is "let no-one sleep". And if you really can't stay up any longer because the day has been so full of activities on board and excursions on shore, and you are looking forward to a good night's sleep, don't worry, make your way to your cabin. After all, tomorrow is another day, full of discoveries and emotions.

LIDO VIA COL VENTO

LIDO INCANTESIMO

SUN, RELAXATION AND SPORT

Moments of joy.

You're the sport-loving type and can't live without your jogging and games. You're the lazy type and can't live without your deckchair and jacuzzi. You are on the Costa Fascinosa and you can do what you like. Aft there are 1,000 metres at Via col Vento Lido, ready and waiting for you. Everything you need to relax: sunbeds, hydromassage pools, water games, and, of course, sun, sun, sun. On the same deck, at the centre of the ship, Blue Moon Lido has a triple show for you: a large swimming pool, an 18-metre maxi screen for the best films and the Magrodome, a semi-mobile crystal dome which, in case of rain, is uncovered to cover you. Two decks up, on Butterfly deck, the level of competition also rises, with a jogging track and a multisports court.

LIDO VIA COL VENTO

CALLING ALL CHILDREN!

A Lido for the children.

Early morning. The sun is shining, the sky is blue. It's a perfect day on decks Tosca and Butterfly (and we all know how important it is to get off to a good start). Sweet Irma cautiously puts her little foot in the water to see how cold it is while the Water Park Brothers, as everyone now calls them, all dive in together to the shout of "SQUOOOK". Having conquered Squok Lido after hours of jumping, diving games and treasure hunts, the children now move off into their exclusive Club: strictly for under 11s only! As soon as they are in the party starts, with karaoke and baby dances.

At the same moment, once the younger brothers and sisters are settled and the parents are no longer in sight, on Turandot deck the appointed hour has come. "Boys and girls, the Teen's Zone is ours!" Off limits to under 12s and over 17s. A swimming pool, dance lessons, never-ending videogame competitions, football tournaments, graffiti and body painting. The party never stops. In the evening mum and dad seem to win. "It's dinner time!" "OK, alright, just a minute, we're coming!" And the party starts again.

WATER PARK

THE SHOW IS DIGITAL

Virtually real.

The Costa Fascinosa is also an incredible virtual amusement park which is able to give you intense, real experiences beyond your wildest dreams. The Grand Prix Simulator, a real racing prototype, will let you drive the most spectacular circuits in the Grand Prix. If this immediately sets you thinking of Steve McQueen in his famous role as a racing car driver then you are ready for the thrill of driving at high speed.

The 37 most famous greens in the world are at your feet in the Golf Club on Butterfly deck: take your favourite iron and practise with the world's most sophisticated Golf Simulator.

In Stargate Club and elsewhere on board you will always find videogames to your taste. Last, but not least, the special effects will not fail to amaze you. At Cinema 4D Nuovomondo you will hear with your eyes, see with your hands. Impossible? Close your eyes and try to imagine it. Prepare to be amazed.

GALLERIA SHOPS

SHOPPING AND CULTURE

Boutiques and books.

Cruising & Shopping are on stage on Aida deck. Sail through the Galleria, among shops and boutiques, in search of something to wear which will make you a star of the stage on board, on your very own red carpet. The great designers of Italian and international fashion are ready to make you divas. And in addition to clothes the best in new perfumes and cosmetics await you in the Duty Free Boutique. If you would also like to add something unique to your store of emotions there is Costa Collection by Emilio Robba: marvellous, precious design items and accessories. If instead you prefer to leaf through a book the Bestseller Library is the perfect place for you. Provided with both a range of Italian and international volumes, in various languages and the Internet you can stay connected to events in the world even if you are on holiday and have decided to take a break.

LUNCH AND DINNER IN THE LIMELIGHT

Food is also part of the show.

Change everything so that nothing changes. Whether you are seated at Il Gattopardo Restaurant, the Tulipano Nero Restaurant, the Club Fascinosa Restaurant, the Otto e Mezzo Restaurant or at the exclusive Samsara Restaurant, whatever dish you choose, the pleasure is unique. From the opening lines - the starters - to the closing lines - dessert - the menu has been conceived to give you only the best. Whether you serve yourself at the buffet or you are waited on "a la carte", the dishes are inspired by the great tradition of Italian and international cuisine, with the inclusion of a few typical recipes of the places which you will visit and for the delicacies of quality Mediterranean cuisine. It may happen that a masterpiece turns out to be a pizza. Just like the excellent pizzas you can find in the Pizzeria on Carmen deck, for when you want to take it easy and prefer a great Italian classic for all the family.

A good year.

Charm, elegance and beauty on the Costa Fascinosa are also a question of label. The wine list at your disposal in the restaurants and bars has been created to satisfy Guests who wish to find out about good wines and those who have already matured a passion for good wine, ranging from highly interesting, renowned Italian wines, such as Planeta, Felluga, Antinori, to French and Californian bottles. Would you like to go up a level? Choose your label from the selection in the cellar on board. Would you like to treat yourself to the best? Make yourself a present of one of the 133 bottles of exclusive Amarone Stella 2003 barrique which Aneri has made for Costa Cruises.

FASCINOSA CLUB RESTAURANT
(VIRTUAL REPRODUCTION TECHNIQUE)

INVITATION TO A COCKTAIL PARTY

The bar above the sea.

"Gradisca". The name of the deck on which there is Amarcord Bar is an invitation to remember and celebrate the Dolce Vita. It is one of the thirteen bars on the Costa Fascinosa where you can drink what you prefer, from coffee in the morning when you wake up to Moët & Chandon Dom Pérignon with a view of the sunset. Let us make a few suggestions. Bagdad Café, the Coffee&Chocolate Bar, to play out the dolce vita again among selected drinks, cakes and pralines. Malia Classic Bar, for a Cuban or Tuscan cigar, a Matusalem Gran Reserva 15 year-old rum or a French cognac from 1969. Blue Velvet Piano Bar, for the pleasure of listening to good music. At the cocktail hour, in the bars on board the beauty of the scene takes on an international flavour. Try the Italian aperitif if you want to stay with the classics: Bellini, Greco di Tufo or Cannonau accompanied by appetisers of mozzarella and dried tomatoes, Italian ham and seafood. Or try something new: Libanese, Greek, Spanish, Asiatic, Indian... until the end of the world.

ENTERTAINMENT

Steal the scene.

Gradisca, Gilda and Aida. On the decks named after three prima donnas there is the queen of the show: Bel Ami Theatre. And what a theatre this is my friends.

Purple and silver are the colours which light up the theatre and sparkling mirrors render the effect even more intense and magical. A show of luxurious, breathtaking beauty which by itself makes it worth being there. Then when the footlights illuminate the stage and the actors come on stage, the entertainment is at the same level as the best of Broadway and the standing ovation is already in the air. And you will be both actors and spectators. If you prefer to steal the scene by trying your luck the The Millionaire Casino is your magic place. The film by Danny Boyle won eight Oscars. The best we can wish is that lady luck is equally generous with you.

BEL AMI THEATRE
(VIRTUAL REPRODUCTION TECHNIQUE)

FUN IN MOTION

Dance your blues away.

Do you remember Saturday Night Fever? Forget it. Because on the Costa Fascinosa every night is right to let yourself go on the dance floor of Babylon Discotheque. And the night is always young, whatever your age. You haven't danced for twenty years? Seize the day and let yourself go. Do you usually dance alone? Now start dancing in company. Feel the rhythm, let yourself be transported by the sound waves and the light on the videowall, invent the steps in your own personal choreography, meet people from all over the world who, like you, speak the universal language of dance. In Angelo Azzurro Dance Hall your muse is Marlene Dietrich: and naturally the music changes. A more relaxed rhythm, elegant, sophisticated atmospheres, style and great class also in the Chéri Lounge. And there is also dancing at Topkapi Grand Bar, at Blue Velvet Piano Bar, under the stars on the open decks...

BABYLON DISCO

APPEALING ART

The stage is set for beauty.

To render the reality of every moment you spend on board magical. To transmit that extra something which makes things, places and people extraordinary, their appeal and beauty absolute and legendary. This was the spark that inspired the thirty eight artists who created their works of art for the Costa Fascinosa. The result is an incredibly eclectic collection, made up of divas/non divas/ex divas, Lolitas and Aphrodites, queens and dancers, some slim, ethereal women, others of opulent, generous form, tragedy and melodrama, reminders of the magazines of the 1950s and of the fleeting figures of fashion journals, the Dolce Vita of Fellini and the magical realism of Borges. From the public areas to the Suites, beauty is represented in its infinite forms uniting, as a red thread, sculptures, paintings, mosaics, ceramics, drawings, photographs and digital images. Let yourself be enthralled, with sense and sensibility.

Your skin and face will long thank you for the steam bath with clay soap and the facial treatment, and on contact with the warmth of the stones a never-ending wave of warmth will run along your back. In the Winter Garden, the Tantric Ceremony will reawaken your senses. On the open decks you will be able to greet the sun with yoga and loosen up with pilates. And if you haven't found what you are looking for yet, say the magic word: Shirobhyanga. And a perfumed oil will slowly run down your forehead, as the gentlest of caresses.

SUITES AND CABINS

A world apart.

Close the door to the rest of the world. The temptation is strong if you have opted for a Suite, a Panorama Suite or a Grand Suite. As the most exclusive box in a famous theatre, the best place from which to enjoy your show, among works of art, open space and unique privileges: priority boarding, personal butler, preferential service at the restaurant, dinner in your cabin, exclusive hydromassage, pillows "à la carte" and much more besides. The cabins with a private balcony on the sea give you your very own panoramic view every day, from sunrise to sunset and beyond. TECHNOLOGY ON BOARD

Sailing gently across the water.

On the Costa Fascinosa there is a band that plays all your music: broad and fast, perfect for a wireless connection to the web. For the true tech addicts it is possible to rent an iPad on board, so that you can surf by the pool and find out about the details of the next excursion.

Would you like a really carefree holiday? The interactive totems scattered at strategic points around the Costa Fascinosa are a pleasant surprise: you can book and buy for all the main services on board when you want. To guess where you are going for dinner just click and your table is booked.
